

## GRACIA RESTAURANT

### Gracia / grah•see•a

Meaning grace / elegance. We are the Becker family of 5 (Frankie, Stephanie and 3 little adventurers) following our dreams of living abroad and sharing what we love... dining experiences to create lasting memories. We think of our restaurant as our personal home. We invite you to explore your senses of food around the table with friends & family to enjoy delicious home cooked meals and celebrate life. We source our ingredients from local and organic regional farms and cook with passion to deliver exquisite flavor in every bite.

Every dish has a story.
